

Heatguard Corrugated Multiwall Polycarbonate Sheets

Heatguard Warranty

Euronit issues the following UK & Ireland warranty for Heatguard corrugated multiwall polycarbonate sheets in Heatguard as outlined in paragraphs A and B, subject to the limitations and exclusions listed herein.

A Light Transmission

A 15 year warranty relating to the following properties:

- For a period of 15 years, the yellowness index, measured in accordance with ASTM D 1925-77, shall change less than 10 delta for Heatguard sheets in comparison with original value.
- For a period of 15 years the light transmission, measured in accordance with ASTM D 1003-77, shall decrease by no more than 10% in comparison with the original value.

B Weather Breakage

A 15 year warranty relating to the following properties:

- For a period of 15 years, no breakage will occur due to normal weathering of the UV protected surface of the sheet. Claims for hail damage will be evaluated using a hail simulation test. Any sheet tested and which remains unbroken by impact from artificial hailstones of 20mm diameter, with surface impact speeds of 21m/s, will not be subject to any claim.

General Conditions

1. The commencement date of this warranty is the date of original purchase and remains valid to the original purchaser only. Claimants must provide a receipt indicating the proof of purchase date.
2. Any other claims for damage or loss, either direct or indirect, or consequential whatever the cause thereof, are expressly excluded from this warranty.
3. The warranty remains valid only if the sheet has been correctly stored, handled, installed and cleaned as recommended by Euronit.
4. Euronit, or its authorised agent, must be notified of any claim immediately and not later than 28 days after the alleged failure. The claimant must allow an inspection of the installation site prior to removal of the sheets from their original position. In addition, Euronit reserves the right to independently investigate the circumstances of failure, including checks with the local meteorological survey and others.

Heatguard Corrugated Multiwall Polycarbonate Sheets

Samples of the sheet must be provided for testing when requested by Euronit.

Limitations and exclusions

5. This warranty applies only to sheets which have been maintained in a scratch-free condition and have not been in contact with chemicals, paints, adhesives or other incompatible materials.
6. This warranty only applies to sheets which have been installed with their UV protected side facing outwards, therefore being the side exposed to solar radiation and normal weather conditions.
7. This warranty is not valid for sheets which have been thermoformed or altered from their original state.
8. For the warranty to remain valid, the sheets must be installed in accordance with the manufacturer's recommendations which include:
 - i. Maintaining proper purlin spacings appropriate for sheet thickness, profile and conditions of application.
 - ii. Full adherence to fixing recommendations with the avoidance of over tightening screws, glazing bars and any other fixings.
 - iii. Store sheets under an opaque cover at all times.
 - iv. Cutting, drilling and handling as advised by Euronit.
 - v. Specific details given for curved installations.
 - vi. All other information contained in labels and publications relating to Heatguard corrugated sheet.

9. This limited warranty shall be governed by the laws of Northern Ireland. Any dispute arising under this limited warranty shall be heard exclusively in courts or tribunals of competent jurisdiction in Northern Ireland.
10. In the event of an agreed warranty claim, Euronit reserves the right to supply new sheets free of charge or issue a refund to the purchaser for the original purchase price of the affected sheets. Replacement or refund shall be in accordance.

Time from purchase date	Material replacement
Up to 5 years	100%
In 6th year	90%
In 7th year	80%
In 8th year	70%
In 9th year	60%
In 10th year	50%
In 11th year	40%
In 12th year	30%
In 13th year	20%
In 14th year	10%
In 15th year	5%
